DEAR RYAN:

I reviewed your proposed motion. As your attorney, I advise you to not file it or pursue it. I believe it is factually and legally frivolous and baseless.

It is my understanding that CR 11 prohibits me from signing your motion.

Subject: Motion To Dismiss With Prejudice Due to OUTRAGEOUS Government Misconduct, and EVIDENCE TAMPERING

Attached is my Superior Court Motion drafted on November 5th 2025 which summarizes the GROSS MISCONDUCT AND INTENTIONAL ATTACKS ON MY CIVIL RIGHTS committed by the State of Washington in the Chelan Superior Court on the MATTER of CASE # 24-1-00253-04

This incident was a wanton and willful CONSPIRACY TO DENY CIVIL RIGHTS and has incorporated any number of local jurisdictional agencies such as WENATCHEE VALLEY FIRE, RIVERCOM 911, CHELAN COUNTY SHERIFFS OFFICE, CHELAN COUNTY PROSECUTORS, CHELAN COUNTY COURTS, and CHELAN COUNTY PUBLIC DEFENSE INCLUDING NUMEROUS ASSIGNED COUNSEL INCLUDING SEAN ESTWORTHY, JUSTIN TITUS, AND BRIAN CHASE. This case presents a text-boo case of systemic corruption and my evidence named in this motion merely highlights the few details for just a few core pieces of the states case against me, which in fact was not a crime against anyone else but rather; a dying woman and a man suffering a possible stroke desperately trying to get his passenger to a ER.

A DEFUNCT tow company was introduced while the rivercom 911 DIRECTOR himself continued to refuse medical assessment and or transport to facility for care.

A former state VIP was ushered off of the property and struck me with her vehicle as she continued to flee, just prior to the swatting event. I have photos and videos of the assault and the woman, SALLY BAGSHAW will be brought to justice for her role in this kidnap and murder plot.

IRREVERSIBLE life threatening health implications have plagued the female passenger since, and she has been rushed to critical care at least once since.

The disgusting treatment of our emergency and especially the current legal attempts to inflict further harm and hide that criminal wrongdoing committed by these officials is incredibly disturbing and very telling and will be the end of many careers.

There are DOZENS of components which indicate across a spectrum of media and entities which myself and a coalition of grass roots helpers have accumulated to ensure I have air tight evidence of this conspiracy to silence me, and that this is in fact a systemic corruption case involving a CONSPIRACY to violate both my passengers as well my own civil rights.

I present this motion as a last chance to quit while you are ahead.
